Dramatic Education is excited to be your school's **NEW** before and after-school provider for the **2019-2020** school year!

Dramatic Education is an educational arts company with over fifteen years of specialized academic arts programming and camp experience. We provide a safe, nurturing, enriching, and educational environment for your students daily.

Students will stretch their creative muscles and strengthen their developmental skills. In addition to homework assistance, your students will:

- Explore dramatic theatre games and techniques to promote critical thinking and problem-solving skills that stimulate their brains and foster self-confidence to last a lifetime!
- Learn basic fitness, nutrition, and overall wellness tools to help students take control of their health and focus on well-rounded, healthy initiatives at home and school!
- Focus on science, technology, engineering, arts, and math (STEAM) throughout the program to learn 21st century skills for success!
